Environment clearance to Distillery.

.....

Sir,

I am directed to refer to your letter No. Distillery/MR/15/86-87/2525 dated 27.1.1987, on the subject mentioned above and to state that the Environment Department of the State Government has no objection from the environmental angle to permit you to manufacture of Rectified Spirit capacity 6,000 K.L./Year (Six Thousand Kilo Litres per annum) located at Kuditre, Taluka: Karvir, District: Kolhapur, near to the existing sugar factory subject to the following conditions:-

- 1) Distillery should adopt one of the following three technologies of treatment and disposal of spent wash as mentioned below:-
  - a) Concentration and incineration process;
  - b) Methane Bio-digester followed by composting.
    - i) Biological oxygen demand (BOD) of the effluent after digestion shall not be more than 8000 mg/ltr.
    - ii) composting shall be executed in a scientific manner as will be prescribed by MPCB in its consent conditions.
  - c) Anaerobic open lagoon followed by composting.
    - i) Lagoons shall be constructed impervious to avoid any leachate and percolation, if necessary, by using polyethylene lining.
    - ii) Biological oxygen demand (BOD) after digestion and before composting shall not be more than 8000 mg/ltr.

..?.

1) Disposing shall be executed in a scientific manner as will be prescribed by Maharashtra Pollution Control Board, in its consent order.

2) The Maharashtra Pollution Control Board may suitably modify the various terms and conditions of the consent and may impose additional conditions and as may be desired and necessary depending on the location. The Distillery should strictly comply and inform the compliance of conditions before commencement of production to Maharashtra Pollution Control Board.

3) Tree plantation programme should be undertaken as indicated in the consent letter granted by Maharashtra Pollution Control Board, on the factory land, in consultation with the Forest Department of the State Government.

The above permission is without prejudice to any other provision required under any of the laws, bye-laws or regulations in force and that the Government may impose any additional conditions from time to time for control of pollution, if necessary.

Yours faithfully,

M.G. Patil

( M.G. Patil )
